

Allergies / Adverse Reactions	Certainty	Comment	Type	Status
No Known Allergies Or Intolerances				

These are your discharge medications:

Remember to always bring in all your medicines whenever you visit a hospital, including when you visit an outpatient clinic. This also includes medicated creams, inhalers and insulins.

Note: for questions about medicines given to you by the hospital please call The Medicines Helpline ☎ 020 7188 8748 Monday to Friday 9am - 5pm. You can also request a phone call back via the Zesty booking system found on the pharmacy page of the Trust's website. If you prefer you can also email your question to mymedicines@gstt.nhs.uk and we will respond within 24 hours (Monday to Friday 9am-5pm).
